

*Girl
Scouts—
Here's
Good
News!*

A NEW Girl Scout
Kodak—Officially Approved,
Handsome, Reasonably Priced.

The New Girl Scout Kodak

*Especially made at Eastman
Factories for Girl Scouts and
Approved at Headquarters;
A Remarkable Camera Value.*

Picture size is $1\frac{5}{8} \times 2\frac{1}{2}$ inches

HERE's just the Kodak you need for pictures of your Girl Scout activities—pictures that will become priceless in later years—pictures that will help you earn your Proficiency Badge in Photography!

With Case, Only \$6.00

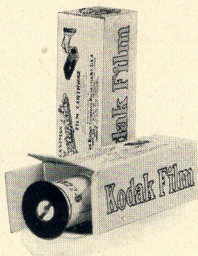

Built for handy carrying, this new Girl Scout Kodak in its case fits conveniently at your belt. Beautiful, in a green shade, both Kodak and case have a durable, weatherproof covering to resist the strenuous use that Girl Scouts will give it. Both bear the official Girl Scout insignia—and together they sell at the attractively low price of \$6.00.

Start Your Picture Record Now

Start right now with a new Girl Scout Kodak to keep a story-telling Picture Record of all your Girl Scout activities. See that you don't miss a single high-spot of your Girl Scout life, for the snapshots that you take today will mount in value as years go on. Confer with your Captain about making up a *Troop* picture record. You'll find it fascinating fun.

KODAK FILM

*It Gets the
Picture*

*Always Load With This
Dependable Film*

SPEED—that helps you prevent under-exposure in your negatives. Latitude—that reduces the danger of over-exposure. Uniformity—that assures you of the same quality from roll to roll.

That's Kodak Film, the dependable film in the familiar yellow box—the amateur's standard for more than forty years—the film that gets the picture. Load your camera with it for best results.
