Note: You also get all other Leica accessories for your personal use at a greater-than-normal discount. You will receive a 50% discount on all Braun Hobby electronic flash equipment, and on all other accessories (including lenses) the discount is increased from 33⅓% to 40%.

However, we are now using mechanized methods to speed the filling of your customers' regular orders. And since the processing of Dealer Specials interrupts this system, we will appreciate it if you do not order minor accessories or supplies at your special discount unless you group a number of them in one order. You can see that the savings you could realize on such small items are out of proportion to the special processing required for such orders.
