

# NEW NIKON FB-9 COMPARTMENT CASE

Reinforced gadget-bag-type case with zipper closing and outer pocket. Provides individual compartments for following equipment:

- Camera body (Nikon F, Nikon Photomic or Nikkormat) with any lens up to 200mm f4.
- 3 additional lenses (one up to 200mm f4 plus two up to 105mm f2.5, including Fisheye Nikkors)
- 1 additional Nikon viewfinder (any except Prism Reflex Sportsfinder), plus other, similar-size accessory, held in lift-out-tray.
- Nikon BC-7 Flash Unit (beneath camera-mounted lens).
- 6 filters, up to 72mm, held in folding pouch.

FB-9 case is crafted from finest leather, plush-lined and finished in black, with adjustable shoulder strap. Dimensions: 8½" high x 8" deep x 12¾" wide.

EPOI Product No. 497.

Specifications subject to change without notice.
