## Vitomatic Cameras and Accessories

### VITOMATIC I

This compact, 35 mm camera, with built-in coupled light meter, brings new ease and assurance to color photography. Correct aperture-shutter speed combination is achieved simply and automatically, with a single turn of the "Magic Circle" setting ring—no f. stops or light values to figure. When exposure is correct, "Magic Circle" indicator covers pointer in easy-to-see, top camera window. Another outstanding feature is the life-size brilliant-frame viewfinder, which shows correct view even when wearing eyeglasses or sighting at an off-angle. Has the world-famous 50 mm Color Skopar f 2.8 4-element lens; Prontor SLK-V Shutter with speeds from 1 to 1/300th second; automatic pop-up rewind, color-zone shutter speed markings, filter factor setting ring, MX synchronization and self timer.

**VITOMATIC, No. 1608-149/95**

**RETAIL, \$89.50**

### VITOMATIC II

In addition to the outstanding features of the Vitomatic I, including "Magic Circle" exposure setting, the Vitomatic II is highlighted by a coupled rangefinder. Single window viewfinder-rangefinder has brightline field markings.

**VITOMATIC II, No. 1604-151/95E**

**RETAIL, \$109.50**

### VITO BR

The Vito BR is a lightweight, compact, extremely rugged 35 mm camera, with coupled rangefinder-viewfinder. Designed for easy handling and quick operation, it features "zone focusing" distance settings, the unique life-size brilliant frame viewfinder and depth of field scale. Has the 50 mm Color Skopar f 2.8 4-element lens; Prontor SLK-V 9-speed shutter (1 second to 1/300th); filter factor setting ring; single stroke fast film wind; automatic double exposure prevention.

**VITO BR, No. 1609-150/95**

**RETAIL, \$89.50**

### "NEW" VITO B

Outstanding performer in its price range, the Vito B includes the life-size, brilliant-frame viewfinder, and the famous Color-Skopar lens among its wanted features. Compact and smartly styled, it has a self timer, rapid winding lever, near-far zone focusing. Lens: Color-Skopar 4-element f 3.5, 50 mm. Shutter: Prontor SVS, 1 to 1/300th second.

**"NEW" VITO B, No. 1610-129/94**

**RETAIL, \$59.50**

## Voigtlander Cameras

### BESSAMATIC CAMERA and accessories

The Bessamatic Camera is a superb *eye-level*, single-lens reflex, with penta-prism, through-the-lens viewing. The unique components of the Bessamatic Camera, including the Voigtlander "Magic Circle" exposure indicator, enable the photographer to determine composition, focus, and correct speed and aperture settings with a single look through the viewfinder. Standard Bessamatic lens is the 50mm Color-Skopar, f/2.8 4-element lens, world-famous for its "eye for color." Lenses are all quickly interchangeable. Synchro-Compur shutter—10 speeds. 1 to 1/500 seconds. Other features include: Single Stroke rapid film wind, Color-Coded speed markings, Filter Factor Setting Ring, MX Flash Synchronization, ASA 10 to 1600 and DIN Film Speed settings, automatic double exposure prevention.

**BESSAMATIC CAMERA w/f2.8 LENS No. 1102-145/95 RETAIL, \$220.00**

**BESSAMATIC CAMERA w/out LENS No. 1103-145/00 RETAIL, \$172.00**

**BESSAMATIC CAMERA CASE No. 1113-90/150 RETAIL, \$14.50**

### VOIGTLANDER-ZOOMAR LENS

The Voigtlander-Zoomar is the only Zoomar lens for still cameras. This model, with fully automatic diaphragm, is designed expressly for use with the Bessamatic Camera. A high-precision varifocal lens in focus at all focal lengths from 36 to 82mm it enables the photographer to shoot continuously at variable focal lengths without changing camera position. Simple, positive setting with lens ring.

**ZOOMAR LENS f/BESSAMATIC No. 1124-296/45 RETAIL, \$298.00**

### 50mm 2.8 BESSAMATIC LENS

"Standard" lens for the Bessamatic Camera, it couples automatically with the Bessamatic rangefinder; diaphragm couples automatically with Bessamatic exposure meter. Quick-change bayonet-type mount.

**50mm 2.8 BESSAMATIC LENS No. 1130-145/40 RETAIL, \$52.50**

### 35mm SKOPAREX W. A. LENS

For Bessamatic Camera, this f/3.4, 6-element, wide angle lens covers twice the area for wide angle shooting. Automatic coupling; bayonet-type mount.

**35mm W. A. LENS f/BESSAMATIC No. 1131-145/50 RETAIL, \$79.50**

### 135mm SUPER DYNAREX TELE LENS

For Bessamatic Camera. This f/4.0, 4-element lens magnifies subjects  $2\frac{3}{4}$  times for successful long-range shots. Automatic coupling; bayonet-type mount.
