12 EXCLUSIVE REASONS WHY TO OWN A GITZO TRIPOD

- TOP PRECISION**
Hand assembled, literally custom built to your order, to the most demanding European precision standards, with stressproof, hardtempered lightmetals as used in airplanes.
- OPTIMAL STABILITY**
Ingenious design with extra solid tubular legs firmly positioned against rigid center part, gives optimal stability without torque, prevents vibration of camera, telescope.
- EASY HANDLING**
Deeply anodized (1/10mm), corrosion and rust proof leg extensions and center column glide smoothly, lock tightly on fiber sleeves (no metal on metal), with soft cushioned locking rings, for easy, rapid, foolproof handling, with no binding or slipping—ever.
- MULTIPLE CHOICE**
More than 100 tripods, short or long for portability or height, with Rapid reversible sliding column or Cremaillere gearlift column for fine adjustment, thinner or fatter legs for any light weight (35mm, Super 8mm), medium weight (2-1¼", 6 x 7cm), heavy (4 x 5", 5 x 7", 8 x 10", 16mm), or extra heavy photo, cine, video camera, equipment.
- PERFORMANCE TRIPODS**
The ultimate in tripods, with individual leg spreading, 2 section column or short 5" column, for extra high, extra low (0"), any special position, including ultra closeups.
- INTERCHANGEABLE HEADS**
More than 30 photo, ball and video/cine pan-tilt heads, with 90° tilts, 360° panning, plus twin heads, spring and counterbalanced heads, fluid heads, levelling balls, with strong, but soft touch handles for smooth moving, tight locking in any position.
- COMPLETE SYSTEM**
More than 10 monopods, multipod, copystand, ladderpods, monocolumns, microphone booms, dollies, attachments, cases, projection stands and platforms, plus side arms, shutters, diaphragms, professional cable and remote releases, light stands, other accessories.
- PERSONAL SELECTION**
You will find exactly the right tripod, monopod, head and accessories, for any person, any camera, any position, any working conditions, literally custom matched for you.
- UNPAID PUBLICITY**
By photo, cine, video magazines, photographic schools, professionals, lecturers, plus hundreds of thousands of happy GITZO owners, in more than 70 countries.
- ECONOMICAL ALL-METAL CONSTRUCTION**
Uncompromisingly solid, virtually indestructible precision mechanism—the result of over 65 years of expert development—withstands the most rugged use, for lifelong durability.
- EASY, MINIMAL SERVICE**
Construction unit system of rolled threads, solid steel bolts, nuts and screws, permits easy detaching, cleaning and replacing of any part by user, with no breakable cheap metals or plastic substitutes, no unrepairable riveting, no collapsing or falling apart—ever. And the service quota for GITZO tripods is incredibly low—less than 1%.
- SCRUPULOUS QUALITY CONTROLS, FULL WARRANTY**
Each tripod passes the most severe quality controls, to meet the most rigid European precision standards. In addition, you are protected by the FULL 5 YEAR GITZO WARRANTY, with minimal maintenance, plus permanent serviceability and availability of parts.
