**\*NOTE:** In all cases 1962 suggested retail list prices have been set realistically to give the dealer an honest reference point for setting actual prices based on his cost of doing business and the services he performs. The suggested list price is that which Keystone believes will be the usual and customary retail price in many trading areas, although prices may vary in different localities. Dealer's local advertising may use the manufacturer's list price as a reference point for his own price (if his own price is to be lower) when he is satisfied that this price is usual and customary for his trading area.

**FULL-YEAR GUARANTEE** registered in owner's name on all Keystone Cameras and Projectors upon receipt of registration card. Guarantee covers any defect in materials or workmanship, and includes free repair or replacement of defective parts when returned to Keystone or to any authorized service station. Certificate of complete guarantee terms included with each Keystone Camera and Projector. Guarantee does not cover projection lamp.
