COMPACT "A"
35MM POCKET CAMERA

Here's a handy compact camera you can carry with you wherever you go. Fits into your pocket or purse, takes sharp, clear 35mm quality pictures.

The Compact "A" is easy to operate — everything is so automatic. Simply set the aperture ring to "A" for automatic, focus and shoot. It's that simple, and the high definition f/2.8 40mm Hanimar wide angle lens gives you snapshots you'll be proud to show.

The Hanimex Compact "A" gives you all this in a pocket camera:

- Compact 4½" w x 2¾" h
- Built-in CdS meter
- Variable shutter speeds from 1/40th to 1/200th second, plus "B"
- Fully automatic operation with manual override
- Zone focusing from 3½ ft. to infinity
- Bright viewfinder
- Parallax correction markings in viewfinder
- Built-in hot shoe with protective cover and PC contact
- Low light warning in viewfinder
- Automatic shutter lock in insufficient light
- Built-in tripod socket
- ASA 25-400
- Automatic film counter
- Handy pouch carry case and wrist strap

#012038/6 with f/2.8 40mm Hanimar wide angle lens, case and wrist strap.
