

# Keystone CAPRI K-25 DIAL-SET 8mm ROLLFILM CAMERA

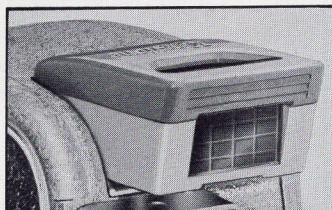

WITH DIRECT READING EXPOSURE METER (optional)

Also available without meter. Makes lens settings easy. Cover plate conceals cavity.

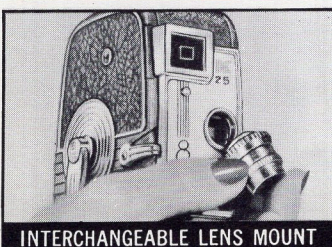

*Just check the meter, twist the dial and shoot!* No guesswork . . . no intricate settings. Perfect home movies in any light, day or night. At its price — by far the finest camera value in the field.

DIRECT-READING EXPOSURE METER

PRECISION IRIS-LEAF DIAPHRAGM

INTERCHANGEABLE LENS MOUNT

## lens and optical data:

- Available with either fixed focus f1.9 lens or fixed focus f2.3 lens. Interchangeable lens mounts. Coated and color-corrected lens.
- Lens with finest iris-leaf precision diaphragm accurately controls exposures and reflections.
- Finder system of genuine ground optical glass . . . the largest of any camera of its size.
- Wide-angle viewfinder optional, snaps over finder quickly, easily.

## construction features:

- Exceptionally quiet operation due to all-new design with less noise-producing parts than any other camera.
- Lightest weight all aluminum die-cast construction.
- Built-in socket for tripod on flat underside.
- New construction and governor-controlled motor allows for even, friction-free running of film . . . another Keystone exclusive!
- Over-all dimensions . . . 4¾" x 3¾" x 2¼".
- Shipping weight . . . less than 2¾ pounds

## styling:

- Beautifully finished in gray vinyl and brushed satin chrome. Smart stay-put wrist strap permanently anchored to back of camera. Need not be removed for tripod use.

## operating features:

**Direct Reading Exposure Meter** locks on top, gives direct readings for ASA 10 and 16 color film.

**Dial-Set (for use without meter only) gives simple lens setting:**

**Outdoor:** Turn dial until pointer matches estimated lighting condition.

**Indoor:** (using a 2-light bar) turn dial until correct distance number appears in window.

**Simple, Easy Loading** automatic retractable claw makes possible simple drop-in loading and sure start.

**Footage Indicator** sets automatically when film is inserted. Signals in event of accidental film jam.

**Three-Way Trigger** controls regular run, continuous run for self-movies, and single frame shots for titling and trick animation.

**Fold-Away crank type handle** makes for fastest, easiest winding of motor.

**Built-in, simple-to-use exposure guide**

Tested with live film at factory. Backed by Keystone Lifetime Guarantee and Free Service Policy. Specifications subject to change.

# Keystone K-25P MOVIE CAMERA GIFT PACKAGE

## K-25P

*all the "basics" for movie-taking...*
