

Keystone K-28 TWO-LENS 8mm ROLLFILM CAMERA

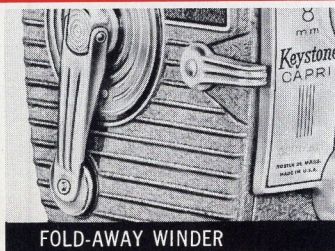

COMPACT, TWO-LENS TURRET

IRIS-LEAF DIAPHRAGM LENSES

BIGGEST OPTICAL VIEWFINDER

FOLD-AWAY WINDER

New! Most compact turret camera Keystone has ever offered . . . complete with two lenses and new vertical turret. Equipped with ultra-fast $f1.9$ fixed focus standard lens, and $f3.5$ 38mm fixed focus telephoto lens. This is an ideal lens combination for every movie maker, offering both speed and flexibility.

lens and optical data:

- Equipped with ultra-fast, coated and color-corrected $f1.9$ standard lens in fixed focus, interchangeable mount.
- Coated and color-corrected $f3.5$ 38mm telephoto lens, in fixed focus, interchangeable mount.
- Both lenses with precision, iris-leaf diaphragm, giving exact control of exposure . . . allowing you to get the maximum utility from these fine lenses.
- Genuine optical glass finder system . . . largest of any camera of its size. Etched rectangle on finder shows view for telephoto lens.
- Wide-angle viewfinder optional. Snaps over finder quickly, easily.
- Interchangeable lens mount accepts all "D" standard-thread lenses.

construction features:

- Vertical, twin-lens turret provides maximum streamlined compactness.
- Exceptionally quiet operation due to all-new design with less noise-producing parts than any other camera.
- Lightest weight, all aluminum die-cast construction.
- Built-in socket for tripod on flat underside.
- New construction and governor-controlled motor provides even, friction-free film advance . . . another Keystone exclusive.

operating features:

- Quick Shift, Twin-Lens Turret** gives instant change from one lens to another. Deep seat and pin-lock assure perfect registration. Projecting lug-type knob for easy grip and operation.
- Simple, Easy Loading** automatic retractable claw makes possible simple, drop-in loading of film.
- Footage Indicator** sets automatically when film is inserted. Signals in event of accidental jam of film.
- Three-way Trigger** controls regular run, continuous run for self-movies and single frame shots for titling and trick animation.
- Fold-Away, Crank Type Handle** makes for fastest, easiest winding of motor.
- Built-in, Simple-to-use Exposure Guide**

styling:

- Beautifully finished in gray vinyl and brushed satin chrome. Smart, stay-put wrist strap permanently anchored to back of camera. Need not be removed for tripod use.

Tested with live film at Factory. Backed by Keystone Lifetime Guarantee and Free Service Policy.
