MINOLTA CORPORATION
GENERAL INFORMATION, TERMS AND CONDITIONS OF SALE

I. NOTICE

Set forth below are the terms and conditions, and other provisions relative to the sale of Minolta Photographic products (hereinafter "Products") by Minolta Corporation (hereinafter "Minolta") to its authorized retail dealers (hereinafter "Authorized Dealers" or "Dealers"). These terms and conditions apply to all sales by Minolta to its Dealers, and any modifications to these terms and conditions may be made only by Minolta's management in Ramsey, New Jersey in writing. Minolta sales representatives are not authorized to make any such modifications. Minolta retains the right to cease doing business with any Dealer that fails to comply with any of the terms and conditions, or other provisions, set forth below. The placement by a Dealer of an order for Products shall be deemed an acceptance by said Dealer of the terms and conditions, and other provisions, set forth herein.

Minolta shall sell Products only to Authorized Dealers, and only for resale in the United States ("Minolta's Sales Area"). An Authorized Dealer shall be a Dealer that (i) has made an initial purchase of Products with an invoice value of $1,000 or more, (ii) possesses, in the sole view of Minolta, satisfactory credit-worthiness, and (iii) conducts its business in a manner which is consistent with the image Minolta wishes to portray in connection with the sale of its Products, by, without limitation, employing a reasonable number of sales personnel trained with respect to the Products, maintaining its place of business in a condition which enhances the sale of the Products, and taking all other reasonable steps to meet the needs and demands of retail customers for the Products.

II. PRICE LISTS

The possession of a Minolta Confidential Dealer Price List (hereinafter "Price List") does not necessarily entitle the possessor to the net prices shown, nor does the Price List constitute an offer to sell by Minolta. The Price List represents only an invitation by Minolta to its Dealers to make offers to purchase Minolta Products.

III. ACCEPTANCE OF ORDERS

Dealer shall submit written purchase orders to Minolta for all Products which Dealer desires to purchase. No order of a Dealer shall be deemed accepted by Minolta until such time as the product requested thereunder is (i) delivered by Minolta to common carrier or received by the ordering Dealer or (ii) until such order is expressly accepted by Minolta management in Ramsey, New Jersey by written confirmation. Minolta sales representatives or credit personnel have no authority to accept any Dealer order.

Minolta shall have the right to refuse to accept Dealer purchase orders for any reason whatsoever. Minolta shall also have the right to (i) cancel any Dealer purchase order previously accepted, or (ii) refuse or delay the shipment of products, in each case immediately upon the failure of the Dealer to meet any payment schedules, credit or other financial requirements which may be established at any time in the sole discretion of Minolta, or upon the failure of the Dealer to comply with any of terms and conditions set forth herein. All purchase orders accepted by Minolta are further conditioned upon Minolta's right to allocate its inventory of Products in such a reasonable manner as it may, in its sole discretion, from time to time, determine. At no time and under no circumstances shall Minolta incur any liability to Dealer for any special or consequential damages resulting from any of the immediately foregoing acts.

Any shipment of Products to a Dealer in fulfillment of any purchase order submitted by the Dealer shall not be deemed to constitute an acceptance by Minolta of any of the terms, provisions or conditions of such Dealer purchase order, except as to the identification, price and quantity of the Product. If there is any conflict between the terms and conditions herein and the terms and conditions of any purchase order or any confirmation of any purchase order, then in such an event, the terms and conditions herein will prevail and will be conclusively binding upon both the Dealer and Minolta. All purchase orders shall be governed by the terms, conditions and provisions herein.

IV. PRICE TERMS

The net prices in the price list are only available to Minolta Authorized Dealers. Prices do not include Federal, State, City or other taxes. Minolta may change the dealer net price at any time without notice. In the event of a price decrease, Minolta shall not be liable to the Dealer for any amount in connection with the Dealer's unsold inventory at the effective date of such change. Price protection, if any, will be made in accordance with the then current Minolta Inventory Protection Policy.

V. PAYMENT TERMS

Dealer shall make prompt and full payment of all invoices. Payment is due net on the last day of the month following the date of invoice. Minolta, in its sole discretion, may apply any payments received from Dealer to such outstanding invoices as Minolta deems appropriate. Standard payment terms are 2% 45 DOI effective 8/4/97.

VI. CO-OP POLICY

Please see program book for full details.

VII. ACCELERATION

If the Dealer shall default in the payment of any indebtedness to Minolta and if such default shall continue for a period of ten (10) days after written notice of such default which shall have been given to the Dealer by registered or certified mail, then, all of the liabilities and obligations of the Dealer to Minolta whether due or not, shall, at the option of Minolta, become immediately due and payable.

VIII. YEARLY PURCHASE POLICY

Any Dealer receiving shipments of Products totaling less than $1,000.00 during the period April 1 of one year to March 31 of the following year, will be removed from the Minolta Dealer List, and in such cases will no longer be considered as an Authorized Dealer. The above is not to be considered as in any way limiting Minolta's right at any time or times to determine the customers with which it will transact business.

IX. MINIMUM ORDER REQUIREMENTS

The minimum order which Minolta will accept is $150.00 Certain items carry a minimum quantity requirement.

X. RETURN GOODS POLICY

All Products are sold **without** return privileges. Dealers requesting authorization to return Minolta merchandise should contact their sales representative. All authorizations, if approved by Minolta, must be accompanied with an order for 1-1/2 times the value of the returned merchandise. If authorization is approved and credit issued to Dealer's account, the credit amount will be based on the previous uncredited cost of goods which reflects all applicable cash discounts, price

protection, or any factor that reduces actual billing price as received by the Dealer. Final determination of actual credit amount will be based on Minolta's verification of cost. Dealer should not deduct credit **from return** until actual credit memo is received from Minolta. Under Minolta's Return Goods Policy, the following products are returnable for stock balancing: SLR Camera Bodies, SLR Lenses, Lens Shutter Cameras & Kits (except those sold without return policy), Flashes, Meters, and Binoculars.

XI. MINOLTA INITIAL DEFECT DEALER RETURN POLICY

This policy has been established to enable Minolta Dealers to return for credit qualifying Minolta product if that product is deemed to have an Initial Defect as defined below.

"Qualifying Product" shall mean all Photographic Division products sold by Minolta to Dealer in new condition, EXCEPT Minolta Memorymaker, Cokin filters, Optilight filters, film and mailers, extended warranties, and that merchandise which is sold as "non-returnable" because a return allowance has been calculated in the dealer net price (e.g., Minolta Memorymaker). Please note that merchandise that has been sold as reconditioned or refurbished (RC or RF classification) can be returned for repair only, not for credit, as set forth in paragraph (D) below.

EXPLANATION AND GUIDELINES

1. For purposes of this policy, "Initial Defect" shall mean a manufacturing defect which renders Qualifying Product inoperable upon first use. Initial Defect shall not include those products damaged or, inoperable by reason of end user abuse, sand, water, corrosion or other external forces or other causes which would render the product ineligible for warranty coverage.

2. Any Qualifying Product having an Initial Defect shall be returned, freight prepaid by dealer, to Minolta Corporation, National Refurbishing Center, 200 Williams Drive, Ramsey, New Jersey, 07446. Dealer shall fill out the Initial Defect Form supplied by Minolta and enclose the packing list portion of that form with the returned products. Failure to use this form can result in additional processing delays. The outside shipping carton should be prominently marked "Initial Defect" and should reference the number that appears on the Initial Defect Form. Minolta shall inspect all units upon receipt for correct quantities as listed on the packing list, as well as completeness of packaging materials, components and included accessories. Qualifying Products will then be examined to determine whether they are Initially Defective.

3. Qualified Products will be accepted only if returned in original packaging with all original pieces, including the instruction manual and warranty card. **If the product was purchased as a kit, all elements of the kit must be included in the original package for credit.** If other items were included, or if other offerings were provided with the product, these items also must be returned.

4. (A) If the product is determined to be a Qualified Product with an Initial Defect and further meets the criteria set forth in paragraph 3, credit to dealer's account shall be issued in accordance with paragraph 5.

(B) If, upon inspection, it is determined that the product is not a Qualified Product, is not Initially Defective, or is missing any of the original packaging materials as described in paragraph 3, above, the product will be returned to the dealer and no credit shall be issued.

(C) If the product is found to be a Qualified Product but is inoperable for reason other than Initial Defect, it will be transferred to a Minolta Service Center for repair. If the necessary repair is considered an in-warranty type repair, Minolta will repair the product as dealer stock and return it to the dealer. In the event that the product does not qualify for warranty repair, a repair estimate will be generated and submitted to the dealer for approval.

(D) Please note that merchandise that has been sold as reconditioned or refurbished (RC or RF classification) can be returned for repair only, not for credit. If the product is RC or RF class and is in non-working condition, it will be transferred to a Minolta Service Center for repair. If the necessary repair is considered an in-warranty type repair, Minolta will repair the product as dealer stock and return it to the dealer. Otherwise, a repair estimate will be generated and submitted to the dealer for approval.

5. Credit issued pursuant to this policy will appear on the dealer's monthly statement. The price applied will be the dealer's last uncredited purchase price based on the most recent shipment of that product to the dealer according to Minolta's records. Credit amount will be calculated from a cost of goods that reflects all cash discounts, price protection, rebates and/or other discounts as received by the dealer. Final determination of the actual credit amount will be based on Minolta Corporation's verification of cost. No credit deductions will be allowed until actual credit has been issued by and received from Minolta Corporation. The price determination shall be based on Minolta's Records.

XII. SUGGESTED MINIMUM ADVERTISED AND RESALE PRICES

With respect to certain Products, Minolta may, from time to time, suggest minimum advertised and resale prices. These suggested prices are those which Minolta believes reflect the value of the Products at retail, and which will provide Dealers with an appropriate profit margin to permit them to compete effectively against sellers of other brands of photographic equipment. It is emphasized that such suggested advertised and resale prices are only suggestions and that each Dealer is free to exercise its own judgment and discretion in setting its retail prices for Minolta Products. Minolta sales representatives have no authority to speak or act for Minolta with respect to retail prices, and they have been specifically instructed not to discuss with any Dealer the retail price charged by that Dealer or by any other Dealer for any Minolta Products.

XIII. TRANSSHIPMENT

The sale of Products to purchasers outside Minolta's Sales Area (as that term is defined in Section 1., above), or to persons who in turn, directly or indirectly, sell such Products to purchasers outside Minolta's Sales Area, are strictly prohibited. In the event that a Dealer acts contrary to the terms of this paragraph, Minolta may, in its sole discretion remove the Dealer from the Minolta Dealer List, and in such cases no longer consider the Dealer to be an Authorized Dealer.

XIV. PRODUCT AVAILABILITY

Minolta may, in its sold discretion, at any time, effect changes in, or discontinue the manufacture or sale of any of its Products, or may reallocate the distribution of any of its Products without incurring any liability to the Dealer.

Minolta may make partial shipments on account of Dealer orders, which shipment shall be separately invoiced and paid when due, without regard to subsequent deliveries.

XV. DISCONTINUED GOODS

In the event Minolta discontinues general distribution of any one or more Products, Minolta may delete such discontinued Products from the Dealer Price List. After such deletion, Minolta may, in its sole discretion, determine that the Products which are the subject thereof shall no longer be supplied by Minolta to Dealer. Minolta also may, in its sole discretion, from time to time, make available to Dealer special models on terms and conditions established by Minolta.

XVI. SUBSTITUTION OF MODIFICATION OF GOODS

Minolta may modify the specifications of any Product and substitute any Product manufactured to such modified specifications for those specified herein provided such goods substantially conform to those Products ordered by Dealer.

XVII. RISK OF LOSS

All merchandise is sold F.O.B. Minolta's warehouse, and title to Products and risk of loss shall pass to Dealer upon delivery of the Products to a carrier at such warehouse. Responsibility for loss from damage in transit rests with purchaser. Minolta will cooperate in providing information for processing claims by Dealers.

XVIII. TRANSPORTATION POLICY

Minolta will prepay all normal shipping costs on any orders totaling at least $400.00 at Dealer net billing, calling for one shipment to one destination. Back-ordered item for orders meeting the above requirements will also be prepaid.

Orders for less than $400.00 at Dealer net billing will be shipped prepaid and the actual shipping charge will automatically be added to the invoice as a transportation expense.

Orders on which Minolta prepays shipping costs will be shipped by carrier selected by Minolta. If more expensive routing is requested, Dealer will pay the difference in transportation costs.

XIX. DELIVERY

Delivery dates as set forth in any purchase order or confirmation thereof shall be deemed to be estimated only, and (i) Minolta shall not be liable for any failure or any delay in the delivery of any Products resulting from any cause or reason whatsoever, whether similar or dissimilar in nature and kind to those specifically enumerated herein and whether or not reasonably within the control of Minolta, including, without limitation, any delay caused by acts of God, acts of Dealer, acts of civil or military authorities, fires, strikes or differences with workmen, floods, epidemics, governmental rules or regulations, wars, police actions or embargoes, delays in availability to Minolta of component parts of the Products, and (ii) Minolta shall not be liable for any losses or damages, direct, indirect, special, consequential, incidental or otherwise, that may arise out of Minolta's failure to meet delivery schedules.

XX. WARRANTY

Minolta's warranty obligations with respect to Minolta Products are limited to those reflected in Minolta's warranties applicable to Minolta Photographic Products sold in the United States. **The Warranties above provide for shall be and are in lieu of all other warranties of Minolta, express or implied, and except to the extent therein provided, Minolta does not and shall not make any warranty whatsoever to dealer, and end user or otherwise, including without limitation, any warranty of merchantability or of fitness for any particular use or purpose.** Minolta shall not have any liability for consequential damages.

XXI. TRADEMARKS

Dealer shall sell Minolta Products under the trade names, brands and trademarks by which they are labeled or by which they may otherwise be identified by Minolta. Dealer shall not alter, obliterate, deface or remove any trade name, brand, trademark or serial number carried on any Product or on the packaging in which it is enclosed or add any name, brand or trademark thereto. In the absence of specific written consent from Minolta, Dealer shall not use any part of its own name or style of doing business, trade name or individual trademarks. Dealer shall not acquire, and specifically disclaims any right in; the names "Minolta Corporation" and "Minolta," and in any other of Minolta's trade names, brands or trademarks.

Upon termination as an authorized Minolta dealer, any rights or privileges of Dealer to use Minolta trade names, brands or trademarks and to designate itself as a Minolta dealer shall expire.

XXII. TERMINATION

Upon termination as an authorized Minolta dealer, Dealer shall grant Minolta an option to repurchase from Dealer all or any part of Dealer's inventory of Minolta Products, at Minolta's dealer price as set forth in the prevailing Price List or the price paid thereof by the Dealer, whichever may be the lesser. Within ten (10) days after the effective date of termination, the Dealer shall submit to Minolta a written schedule reflecting all Minolta Products in the possession of or then owned by Dealer, identifying each Product by model number and quantity. Within ten (10) days following receipt of such schedule by Minolta, Minolta shall have the right to inspect the inventory reflected on such schedule and within ten (10) days after completion of such inspection to give notice of its election to repurchase from Dealer all or any part of the inventory. Payment of the repurchase price shall be made by Minolta to the Dealer by reducing any indebtedness of the Dealer then owing to Minolta or by payment of such excess to the Dealer within thirty (30) days after the receipt of said Products by Minolta. Dealer will deliver all repurchased Products to a carrier designated by Minolta.

Termination as an authorized Minolta dealer shall in no way affect the rights and liabilities of either Dealer or Minolta arising during the period prior to such termination, or release Dealer or Minolta from the obligation to make any payments which obligation is incurred pursuant to the terms hereof during said period. All sums owed by Dealer to Minolta and not theretofore paid shall be due and payable upon notice of termination. Neither Dealer nor Minolta shall be responsible in any way for any damage sustained as a result of such termination.

Exercise of any right of termination shall not preclude resort, in addition, to any other remedy or remedies available to Minolta.

XXIII. MERGER

The terms and conditions of sale and other provisions herein, supersede, terminate and otherwise render void any and all prior terms and conditions of sale, whether oral or written, entered into between Dealer and Minolta with respect to the subject matter hereof, except that nothing herein contained shall be construed as intended to relieve or release either party from any obligation which such party may owe to the other party hereto, including without limitation, the payment of any monies.
