

KODAK

THIS PICTURE *was made in-  
doors with a Modern Kodak  
and Portrait Attachment*

# WINTER

*another* K O D A K *season*

WHETHER it's outdoor sports or indoor scenes, in the North or South, fair weather or foul, your modern Kodak, with its ultra-rapid Kodak Anastigmat lens, will keep the winter-time story in pictures to complete the chapters of your photograph album. ¶ In the following pages are brief descriptions of the more popular models of Kodaks and Brownies. Your dealer can tell you all about them, and he'll gladly show you how easy it is to make good pictures in spite of poor lighting conditions.
