# THE PENTAX 35MM LENS SHUTTER LINE

## IQZOOM 200

- 48mm-200mm (4.2x) SMC power zoom lens
- Aspherical lens elements
- 6-segment multi-pattern metering
- Passive 5-point autofocus
- Spot autofocus
- Easy-to-operate dial control
- Large easy-to-read LCD instruction panel
- Fail-safe film loading
- "Slide-out" flash with red-eye reduction
- 2 print formats - standard and panorama
- Zoom macro
- Automatic LCD parallax correction viewfinder
- Remote control capability

## IQZOOM 160

- 38mm-160mm (4.2x) SMC power zoom lens
- Aspherical lens elements
- 6-segment multi-pattern metering
- Passive 5-point autofocus
- Spot autofocus
- Easy-to-operate dial control
- Large easy-to-read LCD instruction panel
- Fail-safe film loading
- "Slide-out" flash with red-eye reduction
- 2 print formats - standard and panorama
- Zoom macro
- Automatic LCD parallax correction viewfinder
- Remote control capability

## IQZOOM 140M

- Ultra-compact stylish zoom camera
- 38mm-140mm (3.7x) SMC power zoom lens
- Aspherical lens elements
- 6-segment multi-pattern metering
- Passive 5-point autofocus
- Spot autofocus
- Fail-safe film loading
- Auto flash with red-eye reduction
- Bulb and bulb sync modes
- Automatic backlight compensation
- 2 print formats - standard and panorama
- Zoom macro
- Remote control capability

## IQZOOM 115M

- Ultra-compact zoom camera
- 38mm-115mm (3x) power zoom lens
- Aspherical lens element
- Multi-segment metering
- Automatic backlight compensation
- Passive 5-point autofocus
- Auto flash with red-eye reduction
- Fail-safe film loading
- 2 print formats - standard and panorama
- Bulb and bulb sync modes
- Zoom macro
- Remote control capability

## IQZOOM 105WR

- Class 5 weather resistant zoom camera
- 38mm-105mm (2.8x) power zoom lens
- Aspherical lens elements
- Multi-segment metering
- Automatic backlight compensation
- Passive 5-point autofocus system
- Spot autofocus
- 2 print formats - standard and panorama
- Bulb and bulb sync modes
- Fail-safe film loading
- Viewfinder diopter adjustment
- Zoom macro
- Remote control capability

## IQZOOM 105G

- Compact, stylish zoom camera
- 38mm-105mm (2.8x) power zoom lens
- Aspherical lens element
- Multi-segment metering
- Automatic backlight compensation
- Active 3-point autofocus system
- Fail-safe film loading
- Auto film load, advance & rewind
- Auto flash with red-eye reduction
- Bulb and bulb sync modes
- Slow shutter speed and slow speed sync modes
- Zoom macro
- Self-timer

## IQZOOM 928 Date

- Wide angle 28mm-90mm (3.2x) SMC power zoom lens
- Aspherical lens elements
- Multi-segment metering
- Automatic backlight compensation
- Multi-beam and spot autofocus
- Fail-safe film loading
- Auto flash with red-eye reduction
- 2 print formats - standard and panorama
- Adjustable exposure compensation
- Multiple exposure mode
- Viewfinder diopter adjustment
- Zoom macro
- Remote control capability

## IQZOOM 80G

- Compact zoom camera
- 38mm-80mm (2.1x) power zoom lens
- Aspherical lens elements
- Autofocus/auto exposure
- Fail-safe film loading
- Auto film load, advance and rewind
- Auto (DX) film speed setting
- Auto flash with red-eye reduction
- Zoom macro
- Backlight compensation
- Bulb and bulb sync modes
- Slow shutter speed and slow speed sync modes
- Self-timer

## ***IQZOOM EZY-R***

---

- Compact zoom camera
- 38mm-70mm power zoom lens
- Aspherical lens elements
- Autofocus/auto exposure
- Fail-safe film loading
- Auto film load, advance and rewind
- Auto (DX) film speed setting
- Auto flash with red-eye reduction
- Zoom macro
- Backlight compensation
- Bulb and bulb sync modes
- Slow shutter speed and slow speed sync modes
- Self-timer

## ***PC-550***

---

- Compact and stylish 35mm camera
- Autofocus
- Focus lock
- Oversized, easy viewing viewfinder
- Auto film load and advance
- Motorized film rewind
- Built-in flash with red-eye reduction
- Built-in lens protector
- Auto power shut-off
- Auto (DX) film speed setting
- Tripod socket

## ***PC-330***

---

- Compact and stylish
- 35mm focus-free camera
- Oversized, easy viewing viewfinder
- Auto film load and advance
- Motorized film rewind
- Built-in flash with red-eye reduction
- Built-in lens protector
- Auto power shut-off
- Auto (DX) film speed setting
- Tripod socket

# SMC PENTAX LENSES

See Page 42 for FA-Lens Accessory Chart.

## FA-SERIES LENSES

### AUTOFOCUS (KAF2 Bayonet Mount)

Power zoom feature works on specific PZ and ZX cameras only. FA series lenses may be manually focused and zoomed on all Pentax bayonet camera bodies. FA lenses provide all Program exposure modes.

### Digital Spotmeter

- 1° measuring angle
- Silicon photo diode (SPD) for fast response
- LED digital display
- EV1-EV20 metering range
- Super-Multi-Coated optics
- Extra bright pentaprism for low-light viewing
- -2 to +1 adjustable diopter
- Institute of Radio Engineers (IRE) scale
- Cine index
- Luminance metering
- Tripod socket
- Includes strap, case and batteries
- 1.8" x 5.7" x 3.3" (W, H, L)
- 8.8 oz. (w/o batteries)

### Spotmeter V

- 1° measuring angle
- Silicon photo diode (SPD) for fast response
- EV1-EV19 metering range
- EV scale with needle readout
- 1/4000 to 4 minutes shutter speed range
- Extra bright pentaprism for low-light viewing
- -1 to 0 adjustable diopter
- Institute of Radio Engineers (IRE) scale
- Cine index
- Luminance metering
- Tripod socket
- Includes strap, case and batteries
- 2.4" x 6.4" x 5.0" (W, H, L)
- 9.8 oz. (w/o batteries)

### Spotmeter V-FL

- Designed for TV and film making
- Viewfinder readings shown in foot lamberts
- Foot lambert range of 0.125 to 16,000 ft/L
- 1° measuring angle
- Silicon photo diode (SPD) for fast response
- EV1-EV19 metering range
- Extra bright pentaprism for low-light viewing
- -1 to 0 adjustable diopter
- Tripod socket
- Includes strap, case and batteries
- 2.4" x 6.4" x 5.0" (W, H, L)
- 9.8 oz. (w/o batteries)

## **YEARLY PURCHASE REQUIREMENT**

---

A Pentax dealer is required to purchase a minimum of \$2,000 per fiscal year from Pentax Corporation, beginning on April 1st and ending the following March 31st. Any dealer receiving shipments of Pentax products totaling less than \$2,000 may be removed from the Pentax Dealer List and in such case will no longer be considered a Pentax dealer. The above is not to be considered as in any way limiting Pentax's right at any time to determine the customers with whom will transact business.

## **CONDITIONS OF SALE**

---

Orders are subject to the acceptance of Pentax Corporation. Pentax reserves the right to change all prices, quantity discounts, terms of sale and cancel back orders without prior notice. Merchandise shipped will be billed at dealer net prices and discounts prevailing at time of shipment. The basis for these prices and all discounts is set forth in the Pentax Promotions and Price Guide.

## **MINIMUM ORDER REQUIREMENT**

---

The minimum order that will be accepted from an authorized Pentax dealer by Pentax Corporation is \$50. Orders for less than \$50 may be rejected by Pentax and return to the ordering dealer with a letter of explanation. There is a \$10 minimum order requirement on orders for spare parts. There is no minimum order on repairs or back orders.

## **TERMS**

---

The terms listed in the Pentax Promotion and Price Guide are available to Pentax dealers. A cash discount will be allowed if remittance is received by Pentax within the terms specified in the current Pentax Promotion and Price Guide. **Credit terms may be changed by Pentax for special promotions.** If a dealer fails to pay within the terms of sale, Pentax reserves the right to demand payment on entire account balance without discount.

## **SHIPPING POLICY**

---

All merchandise is sold F.O.B. shipping point. Transportation will be prepaid on all orders for Pentax products that (a) total \$500.00 or more at net billing and are shipped to a single location or multiple location if placed under a master purchase order or (b) are back orders of an order originally qualifying for free transportation. Pentax will select the transportation method and carrier. If a dealer requires special handling or transportation methods, any additional freight charges will be charged to the dealer.

## **TRANSIT CLAIMS**

---

All merchandise delivered to the carrier has been checked for condition, proper packaging and accuracy of count. All shipments are F.O.B. shipping point. Our responsibility for damage, pilferage, or carton shortage ends with delivery of the goods to the carrier. Please file claims for in-transit damage, carton shortage or pilferage with the carrier.

Pentax will assist the dealer in presenting the claim if notified within 3 days of receipt of merchandise and if proper exception has been taken on the delivery receipt. For claims assistance contact: Traffic Department, Pentax Corporation, 35 Inverness Drive East, P.O. Box 6509, Englewood, Colorado 80112-6509.

## **CREDITS**

---

Dealers entitled to credits will receive memoranda as quickly as possible. Please do not deduct credit claims from your remittance before receiving our credit memoranda.

## **RE-CLASSIFIED MERCHANDISE**

---

From time to time Pentax may offer re-classified merchandise to dealers based on availability of such products. Re-Classed merchandise that has been sold or delivered to a dealer, ultimate consumer, or used for sales demonstration by Pentax salesforce and dealers is subjected to a rigorous inspection by Pentax and meets all functional/performance criteria applicable to identical new category merchandise. The packaging and product registration for such products will indicate "**Re-classed.**" Since re-classed merchandise sold by Pentax accrues a co-op allowance and may be advertised, Pentax recommends that any re-classed advertising should contain a disclaimer to advise the consumer that the advertised merchandise is re-classed. The Pentax re-classed advertising disclaimer is available upon request from your Pentax representative.

Pentax reserves the right to revise these policies upon 30 days written notice. **Nothing** herein contained shall be construed as granting the dealer a franchise or license to use any trademark, service mark, copyrighted materials, logo-type or related characteristic of Pentax Corporation.

Notice: The terms and statements published here are subject to the following conditions:

- All orders are subject to Credit Department approval.
- All promotions are subject to change or cancellation by Pentax Corporation.
- All prices are subject to change without prior notice.

## **CO-OP PROGRAM**

---

Earn 3% of your net monthly purchases on selected Pentax products as a co-operative allowance. The complete revised program has been sent to each Pentax dealer with the dealer catalogue. Additional copies are available from Pentax.

\* Contact your local sales representative for complete details.

\* § MAP (Minimum Advertised Price) To insure full co-op redemption, contact your Pentax representative for pricing information.

### **WHERE TO SEND CLAIMS**

All claims for cooperative advertising reimbursement must be submitted to:  
Pentax Corporation  
c/o ADVERTISING CHECKING BUREAU  
P.O. Box 52118  
Phoenix, AZ 85072

# RETURN GOODS POLICY

---

## DEFECTIVE GOODS

---

Defective goods can be either a consumer return or dealer inventory stock. Defective merchandise must be shipped freight prepaid via a certified carrier to the attention of the Pentax Service Department. (see address below)  
**Defective goods returns do not require a Return Goods Authorization (RGA).**

## CUSTOMER OWNED PRODUCT

---

- Defective merchandise must be returned with consumer's proof of purchase and an explanation of the problem. USA warranty card may be requested if there is a question as to the origin of the merchandise.
- Problems with product covered under warranty will be repaired and the merchandise returned to the dealer at no charge.
- Problems not covered under warranty will be referred to the dealer for authorization to repair and the dealer will be invoiced in accordance with Pentax Dealer Repair Price Schedule.
- **Replacement of a customer unit by the dealer will be at the dealer's option with the understanding that Pentax will repair and return the original unit. Pentax will not issue a credit for defective merchandise.**

## DEALER INVENTORY STOCK (INITIAL DEFECT)

---

- Dealer inventory stock is defined as merchandise sold to the dealer
- Unsold dealer stock that is defective must be returned freight prepaid.  
**It must be returned in the original carton with complete packaging, including all accessories, components and USA Warranty Card along with an explanation of the problem. The stock must not be shop worn.**
- Defective product covered under warranty and deemed as new will be replaced at no charge. **Any product deemed as not new (missing components, manuals, registration cards, shop worn, etc.) or which requires repackaging, will be repaired and returned to the dealer.**
- Defective merchandise problems not covered under warranty will be referred to the dealer for authorization to repair the product and the dealer will be invoiced in accordance with the Pentax Dealer Repair Price Schedule.
- **Credit will not be issued for defective units.**
- Any product found not to be defective will be returned to the dealer.
- All defective returns must be shipped to:

Pentax Corporation  
Attention: Service Department  
35 Inverness Drive East  
Englewood, CO 80112

## **RETURNS FOR CREDIT**

All Pentax Photographic and Sport Optics products are sold without return privileges. Any dealer requesting a return authorization must first contact their local sales representative. Should Pentax agree to accept returned goods, a Return Goods Authorization (RGA) is mandatory.

- No merchandise will be accepted or credit issued without an authorized RGA
- Any merchandise received without authorization will be returned to the dealer freight collect
- All authorizations for return must be accompanied with an order 1-1/2 times the value of the returned merchandise
- Pre-addressed shipping labels must be affixed on the outside of shipping carton (for your security it is recommended that you mark on the outside of boxes the total number of boxes in return)
- All returns must be shipped to:

Pentax Corporation  
35 Inverness Drive East  
Englewood, CO 80112  
Attn: Return Goods Department

- Merchandise returned for credit must be in new condition. Merchandise deemed not new will be returned to dealer at their expense. It must be returned with original carton, packaging, accessories and USA warranty.
- All merchandise will be inspected by Pentax. Dealer will be charged 5% for any missing components (strap, instruction manual, warranty and registration cards) or necessary repackaging materials (torn boxes and/or removal of store affixed labels).
- If product was purchased as a kit, all components of this kit must be included for credit. Cost of any missing kit components will be deducted. (Price will be figured at dealer net).
- **No merchandise that has been discontinued for more than 60 days will be accepted for return.**
- **Re-classified merchandise (Class II) will not be accepted for credit.**
- A credit will be issued to the dealers account. The credit will reflect cash discount, price protection, coop credits or any other promotions that reduced the price as originally invoiced to the dealer.
- **No credit can be deducted until approved credit memo is received from Pentax.**
- Merchandise must be returned within 15 days of issue of an RGA and should be shipped freight prepaid via a certified carrier.

# ***PENTAX SERVICE INFORMATION***

---

(Pentax Photographic and Sport Optics Products Only)

Normal repair time is ten working days after receipt of a product covered by warranty, or after receipt of approval on a chargeable product repair. Of course, this may vary due to volume.

## ***REPAIR OF PRODUCTS UNDER WARRANTY***

---

Products sent to Pentax for repair which are covered under a warranty must be accompanied by a copy of the owner's dated proof of purchase (sales receipt, cancelled check or charge slip).

## ***REPAIR OF PRODUCTS OUT OF WARRANTY***

---

Out of warranty products sent to Pentax for repair are examined by our service technicians. The cost of repairs (parts and labor) to bring the equipment back to factory specifications is estimated. This estimate/quotation is sent to the individual/dealer requesting authorization to proceed. No work will be done until authorization is returned. We also require that full payment for the repairs accompany the authorization. The only exception is for those having an open account with Pentax. In this case, after receipt of authorization, repair charges will appear on the next statement from Pentax.

## ***REPAIR WARRANTY***

---

All Pentax photographic equipment repair work is covered by a warranty on material and workmanship for one year from the date of repair. Should the equipment malfunction during this one year period, please return it to the service center that originally repaired the equipment, along with a copy of the Pentax Repair Order. This type of situation is handled on a priority basis. The reverse side of the Pentax Repair Order explains the terms of the repair warranty.

## ***PENTAX CORPORATION SERVICE CENTER***
