## Kodaks and Brownies in Color

FOR those who appreciate smartness, there are now available Kodaks and Brownies in many lovely colors, with carrying cases to match.

Your dealer will gladly show you these intriguing cameras that have been designed to meet the modern trend.

## A Living Record of Their Childhood

WITH the Ciné-Kodak movies of the children are as easy to make as snapshots.

And the Kodascope projector shows them on your own home screen with the snap of a switch.

With Ciné-Kodak *f*.1.9, Kodacolor Film and a special filter it is now possible to make movies in gorgeous colors—all the colors in nature—and very easily, too. Ask your dealer for a Kodacolor demonstration.

Kodak Cinegraphs—professional photoplays that you can rent or buy—are available in a variety of subjects.
