

Contax

and Accessories

PRICE LIST No. 16. Effective OCTOBER 1, 1941

Both models have combined optical range and viewfinders, metal-curtain focal plane shutter with speeds from $\frac{1}{2}$ to $\frac{1}{1250}$ second, removable back, built-in delayed-action release, and bayonet-mount interchangeable Zeiss lenses. Contax III has a built-in exposure meter of great sensitivity.

CONTAX prices include: cable release, take-up spool, neck strap and lens cap.
